Hi-Tech-TEX

Be Part of HOMETEX & ITMA 2023!

HOMETEX

ITMA 2023

16th January 2023 – Hi-Tech-TEX, *New sustainable and cross-sectorial value chains towards excellence in Hi-Tech Textiles to foster the uptake of innovation and increasing competitiveness, which aims is to foster SME competitiveness and assist companies to successfully access global markets, facilitate exchanges and strategic partnering between clusters and specialised eco-systems and cities across Europe*

European Textile industries are seeking to embrace new market opportunities to grow and maintain their competitiveness through the creation of high-added value products, which is particularly relevant in this unprecedented times.

Hi-Tech-TEX can provide financial support to SMEs through to their participation in two relevant textile fairs (Hometex & ITMA) that will be held in the following months. Hi-Tech-TEX partners will prepare an agenda for 3 complete days where you can visit the trade fair, develop networking activities. **The project will cover travel costs , up to 375 € in Turkey and 450€ in Italy.**

ITMA 2023

- ITMA 2023 returns to Milan from 8-14 June as the leading global sourcing exhibition dedicated to latest textile and garment technologies and solutions.

Transforming the World of Textiles

The world's largest international textile and garment technology exhibition, ITMA highlights innovations that will help textile and garment manufacturers transform and grow their business.

ITMA 2023 will set the stage for the world's top manufacturers of textile and garment technologies to unveil exciting innovations to a global audience across four key pillars.
