

Hi-Tech-**TEX**

Co-funded by the COSME programme  
of the European Union

# Hi-Tech-TEX

Strengthen cluster management excellence and facilitate exchanges and strategic partnering between clusters and specialised eco-systems and cities across Europe, including through implementation of the “ClusterXchange” mobility scheme.

**New sustainable and cross-sectorial value chains towards excellence in Hi-Tech Textiles to foster the uptake of innovation and increasing competitiveness**

Cluster Excellence  
capacity building

ClusterXChange  
implementation

Joint collaboration

Partnership joint  
strategy building  
and service portfolio
